

Tracy Belmonte

I, along with my family, have been a member of Beulah Presbyterian Church since 1987 when I jumped into membership in the Sanctuary Choir.

I began my time at the Preschool and Child Care ministry as a mom in 1987, became a teacher in 1992 and then took over as the Director in 2001.

I have been consistently awed by what God has done and is doing at BCPCC! We grew from a part-day preschool to a larger child development center and it has been such a joy for me to be part of the history AND the journey! I have administrative responsibilities which bring their own unique rewards- such as supporting our wonderful teachers in nurturing children and families. As a Christian school, I am blessed to lead worship experiences with the classes and God never fails to provide an “aha moment” through the eyes of a child which reinforces what I know to be true: our God speaks to, and through, children. What a blessed position I have. Thank you, Lord, for this gift of BCPCC!
